

## **Environmental policy**

PNE shall strive for continual improvement in the environmental performance relating to our activities, products and services.

In line with the above, we shall ensure the following.

- **Communication**

Make our environmental policy available to the public, upon request, and communicate it to all employees in our organization and to those who work on our behalf;

- **Activities, products and service**

Prevent pollution and reduce depletion of resources resulting from our activities, products and services through reduce, reuse and recycle processes;

- **Regulations & requirements**

Ensure compliance to the environmental regulations and other environmental requirements that we subscribe;

- **Environmental management system**

Establish, implement and maintain our environmental management system to ISO 14001 requirements.
